Planes

Collaborative and Conference Tables

To spark creativity, Planes® collaborative and conference tables support people working together, whether in quick meetings, team gatherings, or formal interactions. Technology access turns table surfaces into multipurpose solutions. The Planes family also includes occasional tables, training tables, height-adjustable tables, and benching.

Certifications

- BIFMA LEVEL 3 Certified
- GREENGUARD Certified
- FSC Certified
- May Contribute Toward LEED Credits
- ETL Listed to UL 962 and 1286
